## **DETAILED ACTION**

### ***Continued Examination Under 37 CFR 1.114***

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 08/17/2004 has been entered.

### **EXAMINER'S AMENDMENT**

2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

#### **In Claims:**

Cancel non-elected claims 5-15

### **REASONS FOR ALLOWANCE**

3. The following is an examiner's statement of reasons for allowance: the semiconductor device as recited in the claims of the instant invention fail to be taught by the prior art cited of interest. Kim in view of Jeng shows a semiconductor device but fails to teach the specific characteristic of the structure recited in the claims of the instant invention e.g. a boundary line defining a

protruded portion and a recessed portion, respectively, at opposite directions on either side of the boundary line in a plane parallel to the substrate.

4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
